VIDEO & EDITING SERVICES

2020 WEDDINGS

VIDEO PRODUCTION SERVICE

- Pre-Consultation:
 - We get to know each other. Tell us all about you! What are your needs?
- Secure booking:
 - Once we establish which package best suits your needs, we sign contract and take secure your booking with payment or deposit to hold the calendar date.
- Pre-production:
 - This consists of you keeping us up to date on the exciting details. This can also be arranged with your wedding planner/coordinator. This includes consultation meetings/conference calls and emails.
- Wedding day production: Filming
- Post-production:
 - Editing your wedding videos
 - We send you a digital copy of your wedding video.
 - Final deliverables sent via secure server or electronic storage of client's choice.**
 - The edits turnaround will vary based on EVM's queue volume at the time of booking. You may receive your videos up to 6 weeks from event.

PLEASE NOTE:

Wedding productions always include two videographers. EVM does not book weddings with one videographer unless confirmed guest count is less than 50 people. These are base rates for what is shown here, additional services will alter the final invoice. This will be in contract with detailed terms and conditions.
